Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the TO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

For Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

This document contains information that is exempt from public release under 35 U.S.C. 184. It is to be controlled, stored, handled, transmitted, and disposed of in accordance with the provisions of 35 U.S.C. 184. It is to be destroyed when it is no longer needed for the purpose of the application. This document and the information it contains are to be kept confidential and not to be released to the public or to any other person without the express written consent of the Department of Defense. It is to be stored in a secure location and not to be loaned or otherwise made available to any other person without the express written consent of the Department of Defense. It is to be destroyed when it is no longer needed for the purpose of the application.
